CINDER CREWS ARE CALLED OUT BY LIGHT SNOW

With spring only 10 days away by the almanac, it may have been only the "onion snow," but it brought out 20 state highway department trucks in Adams County and kept 50 men busy scattering cinders on curves, bridges, hills, intersections, and grade crossings most of Sunday night.

When the snow began about 10 p.m. Sunday, the first flakes melted but the mercury dipped considerably below freezing later in the night and cinder crews started work by midnight. Most of them were finished by 8:30 o'clock this morning, but one crew continued operations to mid-morning on Mt. Newman.

No snow plowing was necessary. The depth reached close to a half inch here but it melted down to only .003 inches of water at the Gettysburg Times weather station.

The low reading here over night was 26 degrees. By 8:30 o'clock the mercury had climbed to 33 degrees and the snow was disappearing rapidly. The snow came from the north but stopped by 3 a.m. and at day-break the skies were clear.

YOUTH COUNCIL PLANS EASTER DAWN SERVICE

Members of the Gettysburg Youth Council at a Sunday afternoon meeting at the Presbyterian Church planned an Easter dawn service and a collection of clothing to be sent to distressed areas overseas.

With representatives of youth groups of seven local churches in attendance, Ann McIlhenny, the council president, presided over the meeting with the group's advisor, the Rev. Robert A. MacAskill, Presbyterian pastor, meeting with them.

Committees were appointed to select a site and make plans for the Easter sunrise service. After the service which probably will be held on the battlefield, many of the young people will go to their own churches for breakfast meetings.

May Go To Conference

The clothing collection which will be promoted in the various churches by their own youth groups will take place on Saturday, April 19. The clothing will be taken to New Windsor for shipment overseas.

The council also discussed the possibility of sending its full quota of two delegates to a United Christian Youth Movement conference at Erie the weekend of April 29.

The next meeting of the local council will be held April 13 at the Presbyterian Church. Youth groups represented at Sunday's meeting included St. James Lutheran, College Lutheran, Trinity United Church of Christ, A.M.E. Zion, Methodist, Baptist and Presbyterian.

"UNCLE ED" TO MARK BIRTHDAY

J. Edward Barbehenn, familiarly known as "Uncle Ed" to hundreds of Gettysburg school children for whom he furnished flowers from his garden for strewing on soldiers' graves in the National Cemetery on Memorial Day over a period of years, will quietly observe his 83rd birthday anniversary Tuesday at his home, 218 N. Stratton St., where he was born.

Mr. Barbehenn suffered an illness last fall which hospitalized him for several weeks, and since that time two nieces, Miss Martha Barbehenn and Mrs. Frank Hower, and the latter's husband have been residing at the Barbehenn home.

The octogenarian says his father died in June, 1915, at the age of 39 years and that he hopes to attain that age. "I would have only six years to live and my good doctor thinks I can do it. I am certainly going to give it a 100 per cent try. I get so much enjoyment and pleasure out of television as, no doubt, millions of others are doing. When my final call comes, I want to go with a smile and no regrets. I have always tried to look on the bright side of life, not the gloomy side."

Mr. Barbehenn is a member of St. James Lutheran Church.

Local Guard Unit Inspected Today

The local Howitzer Company, Pennsylvania National Guard, held its final drill before its annual armory inspection Sunday from 8 a.m. until 5 p.m.

Basic military subjects were the order of the day. Company officers instructed in first aid, military courtesy and discipline, drills and ceremonies, tactical training, camouflage and concealment and other allied subjects.

After church services, breakfast was served at the Shetter House.

At 5 p.m. Lt. Donald E. Doersom, company commander, announced that the company was ready for the inspector general from 2nd Army Headquarters, Fort Meade, Md., today. He will inspect company records and equipment during the day. At 8 p.m. he will meet the troops.

SAY SUN'S RAYS CAUSED FIRE AT BEIDLER HOME

Damage to the home of Mrs. J. Willis Beidler, Biglerville, caused by a fire in the garage at the home Friday afternoon totaled \$3,500, Biglerville Fire Chief Sterling J. Roth reported Saturday night.

A study of the damage Saturday with the contractor who had built the structure, plus a check of the cost of articles burned in the garage, showed damage to be \$1,662 to the building and \$1,838 to the contents, Chief Roth said.

He also announced that the fire was caused by refraction of sun rays through a storm sash, a window pane, and a clear gallon jug of distilled water on cloth topped boots.

Accidental Discovery

Chief Roth said the cause of the fire was determined by accident. In the course of the investigation two gallon jugs of distilled water were placed back on a metal shelf where the fire apparently started. The jugs were placed in exactly the spot where they had been at the time of the fire, using rings left by the jugs as a guide.

Roth, searching for a cause for the fire in the gathering gloom, asked for a flashlight. John A. Hausr, assisting with the investigation, said he had no flashlight but would hold a lamp at the window to the garage to allow Roth to see inside the garage.

When the lamp was held to the window, Roth said, "the cause of the fire was perfectly plain. The light, passing through the window and the distilled water, was focused in a sharp bright point on the wall. A cloth-topped boot had been immediately behind the bottle and checking we found the light was concentrated on the cloth top just as if someone were holding a magnifying glass in front of it. We checked and the sun would have been coming through the window at the same spot the lamp was being held at the time the fire occurred."

Recommends Divorce For County Couple

Attorney E. V. Bullett, master in the divorce action brought by Walter E. Hiker, Hanover R. 1, for his son, Kenneth E. Hiker, Littlestown R. 2, a minor, against Wilma Anderson Hiker, Hanover R. 1, recommends the divorce on grounds of indignities in his report as master filed with the county prothonotary's office.

The couple married June 16, 1956, at Greentown, Md., and according to the complaint, the indignities began July 15, 1956. The couple has been separated since February 25, 1957.

Attorney Bullett in summing up the testimony in his report to the court held: "The testimony presents an all too familiar picture of young people getting married, failing to assume the responsibilities of married life, growing less and less compatible, becoming abusive and finally separating."

PATIENT LEAVES HOSPITAL

Patsy Bream, 14, daughter of Mr. and Mrs. Raymond Bream, Gardners R. 1, who was critically injured January 10 in an automobile accident that claimed the life of her younger sister, was discharged Thursday from Carlisle Hospital.

Patsy, along with an older sister, Doris, 15, suffered severe head injuries in the mishap. Doris left the hospital January 27. Killed in the accident was Phyllis Bream, 12.

LOCAL DRIVER CHARGED

Chambersburg police have filed an information before Justice of the Peace John S. Gillan charging George Miller, Gettysburg, with ignoring a traffic ticket for overtime parking in a metered zone.

FATHER, SON ILL

Charles Ditzler, 75, Orrtanna, who is reported seriously ill, was admitted Sunday to the Warner Hospital. He has been in ill health for several months. A son, Bernard Ditzler, Aspers, is seriously ill also. He was discharged recently from the Veterans' Hospital at Lebanon.

Will Present Play Twice At Biglerville

The Junior Dramatic Club of the Upper Adams Joint High School will present a play, "The Darling Brats," Friday and Saturday evenings at 8 o'clock at the Biglerville Elementary School auditorium.

A. R. Clay, director of the play, said the production will feature Carol Bosserman as "Cynthia Darling"; Nancy Showers as "Junebug Johnson"; John Hall as "Jack Henry, the gardener"; Beverly Ellicker as "Barbara"; John Byerly as "Harold Darling"; Susan Frederick as "Theresa Darling"; Edna Coble as "Agatha Briscoe, the Darlings' aunt"; Richard Graham as "Rod Vinton"; Phil Beidler as "A. Appleton Crabb"; and Sharon Riley as "Mrs. Vinton."

AUCTION AND SHOW FRIDAY AT HIGH SCHOOL

A "Parcel Post Auction" and a "Who Am I?" panel show will be presented Friday evening at 7:30 o'clock in the Gettysburg High School auditorium by the Quill and Scroll of the high school and members of the Maroon and White staff to raise money for the high school publication.

The program will be open to the public with admission 25 cents. Edwin Longenecker, English teacher at the school, will be moderator for the panel show. The panel, comprising J. M. Sheeds, history teacher; Miss Jean McAnally, foreign language teacher; David Woods, mathematics teacher; and Mrs. Sue White, secretary to Principal Guile W. Lefever, will comprise the panel which will seek to identify a number of Gettysburg residents some of whom will appear disguised and some in normal garb. When the persons to be identified are not disguised, the panel will be blindfolded.

Parcels From Notables

The auction will be conducted by John C. Stanke, Kenneth G. Reinhart, John Y. Crow and Dr. Scott Moorhead. Among the persons who have sent parcel post gifts to be auctioned are President Eisenhower, Senator Edward Martin, Congressman S. Walter Stauffer, State Senator Douglas Elliott, Judge W. C. Sheely, Burgess Wilbur Plank; television stars Jack Webb, Perry Como, Patrice Munsel, Tommy Sands, Edward R. Murrow and Steve Allen.

Other persons who have sent packages are Presidential Press Secretary James Hagerty, Senator Margaret Chase Smith, Clair McCordell, C. B. Luce and in addition packages will be offered from former Maroon and White editors, the Philadelphia Phillies, teachers, college officials and friends and relatives of staff members.

Clerks for the auction will be Mrs. Ruth Joseph, Nick Kargas and Charles Vial.

SOLDIER IN CUSTODY

Kenneth A. Bennington, Pawn Grove, Pa., a soldier at Camp Ritchie, was turned over to Army authorities after refusing to pay for gasoline at a Gettysburg service station Friday evening. State police said Bennington was driving a stolen car at the time and had burglarized a service station in the Chambersburg area previous to his visit in Gettysburg.

NUMISMATIC MEETING

The Gettysburg Numismatic Society will hold its March meeting Tuesday evening at 8 o'clock in the basement meeting room at the courthouse. Each member is asked to bring a coin in a sealed envelope for a "white elephant" auction. Edward L. Weikert Jr., Gettysburg R. 2, is the president.

Some Parents Face Fines And Perhaps Jail Terms For Their Failure To Aid School Census

With the school census being taken currently in every district of the Gettysburg Joint School System and with reports from at least one township that some residents are failing to cooperate with the census taker, Superintendent of Schools H. Edgar Riegle pointed out today sections of the state law that provide penalties for persons who hinder the enumerators from performing their duties.

Cumberland Twp. school directors said today that their enumerator has been refused entry at some homes when he sought to list children there up to the age of 18 and others have refused to answer his questions. Charles Snyder is the Cumberland Twp. census taker.

Superintendent Riegle pointed out first that state law requires the school districts to take the census and gives them authority to hire persons as enumerators or assign those duties to a school district employee.

Fine Or Jail Term

Mr. Riegle then quoted the penalty provisions of Section 1351 of the state school code of 1949, as amended, as follows: "If any person shall hinder or prevent or attempt to hinder or prevent any attendance officer or teacher or other persons from performing any duty provided for in this section, he shall upon summary conviction thereof be sentenced to pay a fine not exceeding \$5 or undergo imprisonment not exceeding five days."

The school authorities pointed out that the enumerators in each district carry papers from the school districts identifying them and showing their authority to conduct the census.

One school director said: "It's hard to understand why anyone should refuse to give information to our census taker. The only purpose of the census is to find out the exact number of boys and girls in all age groups in every school district so that we can make plans for taking care of them in school when they reach school age and advance through the grade and high schools."

Enumerators are directed to list all children under the age of 18 whether they expect to attend the public or parochial schools.

ARENDSVILLE TAX COLLECTOR COMPLETES JOB

A. D. Sheely, Arendtsville, who at 89 is believed to be the dean of Adams County tax collectors, Saturday turned in his annual report to the county clerk of court's office showing that Arendtsville residents have, as they have for at least 39 years, paid every penny of their current tax levy.

The report shows the various taxing authorities made a \$25,448.96 levy on the 389 properties and 334 persons who are assessed for per capita tax.

It also shows that Mr. Sheely collected \$25,237.41 for the taxing bodies at a cost of \$84.36. The difference between the amount levied and the amount collected is explained by another practice of Arendtsville.

Fighting Flares Between Government Troops, Rebels In Indonesia; Cut Oil Work

SINGAPORE (AP)—Indonesian Central government troops have stormed ashore today at Bengkal on the east coast of Central Sumatra, revolutionary sources said.

The sources said rebel troops of Lt. Col. Achmad Hussein clashed with the invaders but retreated into surrounding jungles to begin guerrilla activities.

The landings were made about 100 miles west of Singapore at the mouth of the crocodile-infested Siak River leading to the American-owned Caltex oil field headquarters at Paganbaru.

Informants said 4,000 more troops were crammed aboard transports awaiting to land at Dumail, one of the two Caltex oil fields evacuated today on the advice of the Jakarta government.

Curb Oil Production

Caltex announced it is ceasing production in the oil fields of rebellious Central Sumatra and suspending operations.

A spokesman for the company in Singapore said the action was taken on the advice of the Indonesian Central government in Jakarta.

260 PERSONS AT 75TH BIRTHDAY DINNER OF SAE

Pennsylvania Delta of Sigma Alpha Epsilon fraternity celebrated its 75th anniversary celebration Saturday night with a banquet in the Hotel Gettysburg attended by 260 members, wives and guests. It was the largest gathering in the history of the local chapter. Guests came from Chicago, Detroit, Cleveland, Minneapolis and Buffalo.

Dr. William F. Sunday, '16, of Brooklyn, was the toastmaster. Leo S. Cade, banker and businessman of Oklahoma City, who heads the national fraternity, was the guest speaker.

Cade said, "We are celebrating two events, the founding of SAE on March 9, 1886, at the University of Alabama and the 75th anniversary of Pennsylvania Delta, first chapter north of the Mason-Dixon Line."

He traced the expansion of the fraternity which now has 104,000 members with 142 chapters in 46 states and the District of Columbia, 110 alumni associations and 103 Minerva clubs.

Honor 50 Year Men

He paid tribute to the late Dr. David P. Deatrick, of Middletown, who was instrumental in forming the house corporation and served as its secretary-treasurer until his death in 1946.

Cade urged the initiates to "live up to the high ideals on which the fraternity was founded. You will find these ideals a great influence in your daily life," he said. He further urged the members to have "respect for authority, assume responsibilities as gentlemen and develop a deep sense of loyalty to the college and the fraternity."

Fifty-year honor membership certificates were presented by Rex A. Smith, eminent supreme recorder in charge of the national headquarters in Evanston, Illinois. Of the 26 alumni honored, the following were present: Bruce Coughlan '05, Pittsburgh; Fred G. Masters '04, Berlin; L. L. Lammert '07, Wood-

NATIONAL R. C. HEAD URGES FUND EFFORTS

The Adams County chapter of the Red Cross had a message from President Alfred M. Gruenther of the American Red Cross referring to the current campaign for funds and declaring: "Success is of paramount importance if we are to continue to meet our obligations in the year ahead."

"During the last two and a half years," Gruenther's message continues, "the Red Cross has expended more than \$56,000,000 in disaster services alone — the heaviest such cost in the organization's 76-year history. It is imperative that the Red Cross be kept strong and ready to serve in any emergency."

"In the 85,000 miles of travel during my first year in office, I have been greatly impressed by the steadfast loyalty and devotion of our vast army of volunteers. If we make the American public fully aware of the importance of Red Cross services and the urgent need for funds, I feel sure the people will once again respond generously. The task ahead will not be easy, but we can, and must, be successful."

G. F. DAUGHERTY EXPIRES AT 94

George F. Daugherty, 94, died Sunday morning at 11:40 o'clock at the home of a great-niece, Mrs. Guy Keefe, Gettysburg R. 5, with whom he resided since 1955. He had been in declining health for some time.

A native of Adams County, he was a son of the late David and Eliza Jane (Herbst) Daugherty, and had resided in the county all of his life with the exception of a few years during which he lived in Illinois.

A member of St. James Lutheran Church, he had previously, when he resided in that area, been a member of Flohr's Lutheran Church and sang in the choir of that church for approximately 20 years. Even after moving to Gettysburg, for many years he rode horseback weekly to the Flohr's Church in order to participate as a choir member.

Surviving are a sister, Mrs. C. J. Weikert, formerly of Hanover St., and now of New Oxford, and a number of nieces and nephews.

Funeral services Wednesday afternoon at 2 o'clock from the Bender Funeral Home, Carlisle St., with his pastor, Rev. Dr. Paul Reaser, officiating. Interment in Evergreen Cemetery. Friends may visit the funeral home Tuesday evening from 7 to 9 o'clock.

RICE TO DIRECT DEMS' CAMPAIGN

John S. Rice, West Broadway, who served two terms as state senator from the Adams-Franklin district, and a one-time Democratic nominee for governor, will direct the campaign of the Democratic party in the May primary.

Rice was described by Governor George M. Leader and by Mayor David L. Lawrence of Pittsburgh as "uniquely qualified for the job."

Leader is the party's choice for the U. S. Senate and Lawrence for governor.

Rice, who is 59, served as majority leader of the State Senate in 1937. He was the Democratic gubernatorial nominee in 1946 and was secretary of the Property and Supplies Department until his resignation last year.

He said the Leader-Lawrence slate "is probably the strongest ticket in the history of the Democratic party in Pennsylvania."

AUDITORS FILE ANNUAL REPORT THIS MORNING

The Adams County auditors today filed their annual report in the prothonotary's office after 53 days of work on the audits. The report was delayed several days because the recent storm prevented several of the auditors from reaching the court house. They began their duties January 6.

According to the report the county spent \$242,343.12 last year and closed with a balance of \$72,380.23. The county institution district spent \$130,793.35 and ended the year with a balance of \$141,871.04. A total of \$123,169.70 was spent from the liquid fund fund leaving a balance of \$101,073.07.

The county began the year with \$57,954.55 in the bank. Current taxes brought in \$205,934.46 and prior year's taxes \$23,756.39. Fines and forfeits netted \$18,676.87 and justices of the peace turned in fines totaling \$445. Departmental earnings were \$4,268.10. Other income included \$3,687.98 from non-revenue receipts, making a total income of \$257,768.80 for the year, which with the balance made \$314,723.35 available during 1957.

Yearly Expenditures

Expenditures included \$15,720.65 for the commissioners' office, including \$6,600 salary for the commissioners and \$6,881.72 salaries for clerks; \$1,012.80 for the operation of the courthouse; \$15,300.82 for elections; \$10,588.42 for tax assessment; \$2,103.76 weights and measures; \$7,279.43 treasurer's office; \$9,270.71 for tax collectors; \$1,883.91 auditors; \$2,833.58 recorder of deeds; \$10,903.19 sheriff's office including \$4,000 salary for the

4 SENTENCED TO COUNTY JAIL IN COURT TODAY

Charles E. Wagaman, Gettysburg R. D., and his son-in-law, Daniel F. Shorb, Fayetteville R. D., were each sentenced to 90 days in the county jail, beginning March 4 and March 3 respectively, on charges of contributing to the delinquency of juveniles minors and furnishing intoxicants to juvenile minors.

Both were accused of providing beer and hard cider to two sons of Wagaman. Wagaman told the court he, Shorb, Mrs. Shorb, and some children were enroute to the Warner hospital to see Mrs. Wagaman, who was a patient there, were delayed by snow and decided to drive around until evening when they could visit Mrs. Wagaman during evening visiting hours.

They stopped at Charles R. Baker's service station on the Emmitsburg Rd. where they broke a mirror and damaged the wall. Shorb was arrested for malicious mischief and contributing to the delinquency of juveniles and Wagaman for contributing to delinquency. Wagaman said he could control his younger son, but the older boy was "too big."

Shorb was given a suspended sentence on the malicious mischief charge on condition he pay \$25 to the owner of the service station for damages and pay the costs.

Suspended Sentence

Leovigilda Joaquin Diaz, 23, Georgetown, Texas, a sailor stationed at Bainbridge, Md., was sentenced to from three to six months in jail on charges of larceny of a motor car. He told the court he stole the car, owned by a McSherrytown man, after drinking in McSherrytown. He wrecked the car not far from that community.

Alfred Gotwald, will begin. Friday the body will be removed to Hagerstown where graveside services, with the Rev. Dr. J. I. Rider officiating, and interment will take place in the St. Paul's Cemetery, Hagerstown, at 1 o'clock Friday afternoon.

SAMUEL M. REEL DIES FROM FALL

Samuel M. Reel, 84, resident of Hanover St. for a number of years, died Sunday night at 11:45 o'clock in St. Joseph's Hospital, Elmira, N. Y., where he had been a patient for the last three weeks after having fallen and broken a hip late in December.

Mr. Reel, who had been in impaired health for some time, had gone to Elmira with Mrs. Reel soon after Christmas for a visit with their only son, Donald, formerly of Gettysburg. The fall that fractured the hip occurred a few days after their arrival at Elmira. The deceased was a farmer in his early life. After moving to Gettysburg he was employed by Gettysburg College as a member of the custodial staff at the Plank Memorial gymnasium.

He was a member of the Memorial EUB Church here.

Surviving are his wife, the former Milla Kessel; the son, Donald, and three grandchildren. One brother, Andrew Reel, Petersburg, W. Va., also survives.

Funeral arrangements are not complete but are set tentatively for Wednesday with services and interment to take place at Elmira.

St., entered a plea of guilty to a charge of surety of the peace brought against him by his wife, and was directed to post a bond or \$1,000 to keep the peace and pay the costs.

Charge Dismissed

A charge of interfering with a game protector in the performance of his official duties against Paul T. Blevins, East Berlin R. 2, was dismissed and costs were placed on the county after testimony failed to show interference, according to the court.

The testimony showed threats, by Blevins, to strike a deputy game protector in the face and "to shoot" him if he stepped on Blevins' farm, but did not actually show interference with the protector's duties.

Agreement was reached to drop a charge of neglecting to support a child against Cletus Clouser Jr., Hanover, if he makes a settlement of \$300. Clouser has spent 64 days in jail so far for failure to pay the support order. Under arrangements worked out this morning he is to make a settlement of \$300 to the grandparents of the child, who are raising it, and pay the costs. The grandparents are to sign a bond that the child will not have to be supported by the county.

Ray E. Golden, Gettysburg, was found guilty of contempt of court on an arraignment on a support order and was sentenced to jail for "at least 30 days" and will be released after that when he has paid up the \$150 arrearage.

Forty Brownies At Mass

Forty Brownies, Girl Scouts and leaders and troop committee members of St. Aloysius Catholic Church attended the 7:30 a.m. mass on Sunday, the first day of National Girl Scout Week, and Holy Communion was received in a body. Adults in the group were Miss Mary Rita Redding, leader and Mrs. Joseph H. Redding, of Troop 12; Mrs. John R. Rudisill and Mrs. Paul E. Altoff, Troop 45; Mrs. Clarence J. Krichen Jr., Troop 51, and Mrs. Clyde H. Rohrbach, Troop 61.

The pastor, the Rev. Fr. William A. Boyle, recognized the group and commended the work of the leaders with the various troops, at the same time expressing a hope for cooperation among the members of the parish with the Girl Scout movement. The church was filled to capacity for the early mass, with extra chairs being set up to accommodate the parishioners. Members of the Holy Name Society also received Holy Communion in a body.

Father Boyle read a letter of appeal for the annual offering for the Bishop's Relief Fund, received each year on Laetare Sunday, for overseas relief. There will be a special collection at both masses next Sunday for the fund. It was also announced that the Rev. George L. Leach, bishop of Harrisburg, has declared an exemption from the Lenten laws of fast and abstinence for the Feast of St. Patrick, the Patron Saint of the diocese, on March 17. A public card party, with 500, bridge and cantata, will be held at 8 p.m. on St. Patrick's Day, sponsored by St. Aloysius Parish Council of Catholic Women. Prizes for the party are on display in the show window at Redding's Barber Shop, S. Queen St.

A Caltex executive said the company is evacuating the women and children among the nearly 400 Americans at two fields, Dumal and Pakning.

The first group of women and children arrived here aboard the company's ship, Caltex Medan. Others are expected aboard the Caltex Migdalla.

Yankies In Field

The troop landings were about 90 miles downstream from Pakanbaru, and about 200 miles across the jungle - covered island from Padang, rebel center.

Dumal, one Caltex oil field, is 100 miles north of Pakanbaru; Pakning is 93 miles south east of Pakanbaru. The company's entire force of 3,000 workers of all nationalities was ordered to concentrate at Rumbai, near Pakanbaru. The Betchel Construction Co., has 250 Americans building a pipeline and road from Dumal to the South. Those workers will remain on the job, the executive said.

endsville taxpayers—they paid up in large numbers during the period when they were allowed a discount on their taxes, which reduced the amount collectible.

Few Paid Penalties

A few paid up after the penalty went into effect and Sheely also collected \$53.98 in penalties on taxes that, while they came in during the year, were paid after the period for collecting at par.

Mr. Sheely began his duties as a tax collector in 1913, 45 years ago, but there were two periods, totaling about six years, since then when others held the office. During the 39 years that he has held the office, Mr. Sheely said, the taxpayers have all paid up each year—during prosperity and depression.

He expressed his appreciation of the way Arendtsville residents pay taxes and Arendtsville taxing authorities said they are pleased with the way Mr. Sheely collects taxes.

The report shows \$4,909.03 in town taxes, \$16,737.74 school board, \$2,514.15 county and \$1,077.49 institution district tax collected.

The borough levied a 14-mill tax, the schools a 35-mill real estate and \$15 per capita tax. The county levied 7 mills property and occupation tax and a four-mill personal property tax on \$52,635 worth of stocks, bonds and mortgages owned by Arendtsville residents. A three-mill tax was levied by the institution district.

Life expectancy for the average American worker is now 69 years. This is almost 4 years better than in 1948.

CARLISLE COPS SP BASKETBALL LEAGUE TITLE

Carlisle High wrested the South Penn Basketball League title from Hanover by defeating the Night-hawks 50-52 in a thriller played before a standing room crowd of 2,500 at Chambersburg High School Saturday night.

Mike Washington, the league's leading scorer, pumped through 33 points in leading the Herd to its championship.

Carlisle had won the first half title in the race and Hanover the second half to create the championship playoff.

The District 3, Class A title game will be played Friday night at Hershey when Carlisle meets the winner of tonight's York-Warwick game.

BEATS MATE

BY ONE POINT

UNIVERSITY PARK, Pa. (P) — Jay Werner today held the Eastern Intercollegiate all around gymnastics championship by virtue of a one-point edge over Penn State teammate Lee Cunningham.

Werner, who also won two seconds, a third and a fourth in individual events during the competition here Saturday, overcame a 13-point lead held by Cunningham to take the crown.

Two of three defending titlists were dethroned. Penn State's Dave Dulany supplanted Lowell Meier of Syracuse as tumbling champion and Navy's Furman Shepperd deposed Army's Gar O'Quinn on the side horse.

O'Quinn picked up a title, however, with an outstanding performance on the parallel bars.

Pitt's Tom Darling, who finished second to teammate Jim Mulvihill on the horizontal bar, won his second Eastern crown on the flying rings with the meet's top score of 567.

Penn State's Phil Mullen, who won the rope climb title two years ago as a sophomore, regained his eminence with a climb of 3.6 seconds.

No team title was at stake in the two-day event which saw the host Penn State school place at least one man in every event.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

ONE HUNDRED YEARS AGO

E. Henry Reimann has been appointed postmaster at Fountain Dale. In this county, in the room of Wm. Rogers, resigned.

On account of the inclemency of the weather on Monday evening last Mr. Willis did not deliver his lecture before the Young Men's Christian Association — it was postponed until Monday evening the 22d.

At the East Baltimore Conference of the M. E. Church on Tuesday last the appointments for the year were made. John Bowen and Martin L. Drum are for Gettysburg; Oliver Ege and George W. Dunlap, York Springs and Hanover.

The commencement of the Medical Department of Pennsylvania College took place at Philadelphia on the 6th inst. The degree of M.D. was conferred upon thirty-five graduates by the Rev. Dr. Baugher, president of Pennsylvania College. The Valedictory was pronounced by Dr. Neill, Professor of Surgery.

The Lower Marsh Creek Presbyterian congregation, not to be outdone by their Congregational brethren, have presented their common pastor, the Rev. Mr. Warner, with a very fine horse, so that he is now very handsomely fitted out for travel.

Property Sold: The Directors of the Bank of Gettysburg have purchased the Banking-house, late the residence of J. B. McPherson, Esq., deceased. Price \$4,500.

Mr. William J. Martin has sold his two story frame house on West High street, in this place, to Mr. Jacob Miller of Carroll County, Md., for \$625.

In the House of Representatives at Washington on the 23d ult Hon. Wilson Reilly, by unanimous consent, in pursuance of previous notice, introduced a bill for the relief of Andrew W. Flemming of this place, which was read a first and second time and referred to the Committee on Public Lands. Mr. Flemming was engaged in the Florida War, where he received a severe wound, laming him for life, and we trust the application now made for his benefit may be successful.

SEVENTY-FIVE YEARS AGO
A. Lewis Hoffman, of Hendersburg, has shipped 1,247 dozens of eggs to Philadelphia within ten days.

Fairfield Items: John Kittinger, Clarence Musselman and Mary Myers, scholars of the primary school of this place, and taught by Miss Armor, did not miss a single day at school during the term.

Our schools in this district will nearly all close out the term this week.

Mr. M. T. Shields is now traveling for Messrs. Barkley and Hasson, dealers in coffee and teas. John R. Marshall expects to ship to Chester county this week 25 head of cows.

Littletown Items: Last Monday evening was a happy event in the life of father Joseph and mother Elizabeth Routson, residing in this place. It was the fiftieth anniversary of their married life. Children, grandchildren and one great-grandchild, neighbors and friends assembled at the home of the aged couple in the evening and a part of the choir of St. Paul's Lutheran church of which the subjects of these lines are devoted members, improvised a program.

Father and Mother Routson are in the 72nd year. In appearance and address both are vigorous and vivacious. They enjoy life, are happy in their chosen occupation (carpet weaving) and are held in high esteem by all.

Arendsville Items: Mr. David Minter, living a mile from this place, raised 62½ bushels of wheat last year from 29 acres, which was nearly 30 bushels to the acre.

Today's Talk

DISTINCTIONS

An unlearned carpenter once stated to William James, the famous psychologist: "There is very little difference between one man and another, but what little there is, is very important." It's often but a step from an average human being to one of distinction. Perhaps only a foot ahead — and you have a genius!

It's that small advantage which makes all the difference. I think of the beautiful poem by Robert Frost where he tells of coming to two crossroads, and he "took the one less traveled by, and that has made all the difference." Such little things often change the whole course of our lives. A missed train, a decision changed, or the sudden impulse of the moment has often "made all the difference." So often we need the guidance and advice of someone else. A great U. S. senator was a dear friend of mine for many years before he was elected to this high office, but he had many a distinction long before his elevation.

We ought to listen, and read about what is going on in the world, and especially near at hand to us. A person of distinction is one who has absorbed much from life and the living of others. We recognize persons of distinction no matter where we meet them. They are outstanding.

Again a thought from William James. He said: "Properly speaking, a man has as many social selves as there are individuals who recognize him and carry an image of him in their mind. To wound any one of these his images is to wound him!"

It's a wonderful thing to be ourselves. Often it's a distinction to meet something of ourselves on the street, in a crowd, or among our peers. Never should we lack for a friend to warm our spirit, or to add to it.

Tomorrow Mr. Adams will talk on the subject: "Neyssa McMein" Protected, 1958, by The George Matthews Adams Service

Just Folks

THE PESSIMIST

It's a pretty gloomy world just now;

I must admit the skies are gray,

And I'm a pessimist myself;

I can't find much in life that's gay.

It isn't often that I scowl

Or go my way with frowning lip,

But I've a right today to howl—

I'm one of those who has the gripe.

I notice men and women tread

Their weary way along the street,

Their noses wet, their optics red,

And then I note their shuffling feet.

And when for sympathy I seek,

As any suffering man would do,

The only words I hear them speak

Are: "Sorry, but I've got it, too."

And so I've joined the pessimists.

There is no joy in life, I swear.

I've often advocated smiles

But, with these gripe germs in the air,

I find it hard to wear a grin,

So cut her loose and let her rip;

The world's not such a cheerful place,

Since most of us now have the gripe.

THE WRECK OF "THE GOLDEN KAY"

By RAY WRAYMON

As Told To John L. Sherrill

A lot of people might call me a bum. I call myself a fisherman. I move around a good deal, wherever the fishing's good. I'm a good fisherman when I'm sober; however, for the six years just prior to June 10, 1956, I wasn't sober much of the time. But a miracle was worked for me. My special miracle. I don't know why it happened, but I'll tell you about it: On that day in June, four of us were fishing for yellowtail off the Florida Keys, when a storm hit. The Golden Kay began to pitch crazily. Rain fell in sheets and the noonday sky became a deep black. Seas soon towered 20 feet above us, then a wave hit us broadside and there was a "crack!"

The anchor line had snapped. The boat's owner, Winford Bennett, and I ran aft and tried to jerk the Golden Kay's engine into life.

A Huge Hole

"We drift into that piling and it'll rip the bottom off!" I shouted. Winford and I were still working over the motor when we hit. Winford ordered our cook, Mrs. Dorothy Snel, to get the life jackets. Frank Young, another roving fisherman, and I ran before the piling had ripped a huge hole out of the side of the Golden Kay. We ran back up on deck.

"Put your jackets on," Winford said.

The rising water was over the stern, it reached our thighs. We grabbed a piece of line and tied ourselves together. When the water reached our waists we kicked off a bit, and watched the Golden Kay come apart, plank by plank.

It took about four hours for the little boat to disintegrate completely. Then only the keel remained, neither floating nor sinking, but hovering a couple of feet below the surface. We clung to it like life itself, steadying ourselves against the waves and the tide.

Out To Sea

All of us were thinking the same thing. No one would look for us. We weren't expected back for three days. We were 12 miles offshore, and both the wind and the tide were sweeping us toward the open ocean, out beyond the last point of land.

"Do you think we ought to pray?" Dorothy asked—nobody answered.

"Not me," I said after a while.

"I wasn't a praying fisherman before we hit that piling, and I'm not going to be a praying fisherman now."

But Dorothy began to pray anyhow. Secretly I wished that I could pray, too. I remembered the days when I went to Mass and said my rosary and many prayers to the Virgin. But I remembered, too, the day when I was abandoned by God.

My boy died. He had pneumonia and suffered and died; he was only six years old. Six months later my wife died. She had cancer, and she suffered and she died while I was praying.

Just To Stay Drunk

I promised myself I'd never pray again. I promised myself I'd never do anything except what I wanted to do, and what I wanted to do was to fish and stay drunk.

The best place to fish was on the Florida Keys, so I joined hundreds of other men who live there fishing and killing themselves with 90 proof.

"Ray, you ever done any swimming?" Frank was speaking.

"Once," I said, "I once swam a hundred yards."

"It looks like you have to try again, Ray," Winford said. "Will you? None of us can swim at all."

And that's how it was that as darkness closed in, cold and already waterlogged from five hours in the sea, I started on a swim I knew I could never finish.

Felt Panic

By the time I had 20 yards I was tired.

Something popped! In front of me was a piece of cork from my life jacket. My life jacket was falling apart under my eyes.

For the first time, panic reached inside of me and I felt as if I were going to be sick.

After 20 strokes I was tired. Treading water, I rested. I swam a short way again, and again I had to rest. I saw I was getting nowhere. So I tried counting a hundred strokes, then resting. Then

GIFFED BANDITS

HERMOSILLO, Mexico (AP) — Two well-dressed men entered a Hermosillo jewelry store and ordered 3,000 pesos worth of wrist watches, gift wrapped.

The jeweler reported that when they returned, they flashed a pistol and walked out with the gaily wrapped package of watches.

KILLED IN CRASH

NARROWSBURG, N. Y. (AP) — Archie Springer, 24, of Lake Como, Pa., was killed yesterday when he was thrown out of an automobile on Route 97 near Narrowsburg.

Two others also were thrown out before the car overturned and burned. Reported in fair condition were Louis Carey, 30, Lakewood, Pa., the driver, and Robert Kulkowski, 20, of Lake Como.

Council Pioneer Dies In Topeka, Kan.

TOPEKA, Kan. (AP)—Samuel Wilson, generally credited with fostering the legislative council idea, died in a Topeka hospital yesterday. He was 74 and had been an invalid several years.

Wilson provided the main impetus for the creation in 1933 of the Kansas Legislative Council, the first in the country. It is an appointed panel of legislators which studies state problems and proposed laws between sessions of the legislature. Many states have set up similar councils.

Wilson was secretary-manager of the Kansas State Chamber of Commerce for 20 years before he retired in 1949. He previously had been secretary-manager of the Chambers of Commerce at Pottsville, Pa., and Kansas City, Kan. He leaves a widow and one daughter.

NORTH KOREA TO RETURN PILOT

PANMUNJOM, Korea (AP)—North Korea today agreed to return a U.S. Air Force pilot shot down over the demilitarized zone last Thursday by Communist gunfire. No date for the release was given.

The Communist announcement came at a meeting of the Military Armistice Commission at which the U.N. Command warned it would shoot down any Red planes deliberately crossing the truce line.

Capt. Leon Pfeiffer of Kenosha, Wis., who parachuted from the stricken Sabre jet into Communist territory, was being given "humanitarian treatment," the Communist delegates said. The Reds said Pfeiffer was in good health.

Called "Mistake"

The U.N. delegate, Gen. Olaf Kyster, admitted that Pfeiffer's and other American planes had violated the demilitarized zone but told the Reds it was because of "mistakes and carelessness on the part of the pilots."

Kyster protested the shooting was an "unnecessary armed attack" and warned that Communist aircraft violating U.N. territory also would be fired upon "if these violations are not due to navigational error."

Kyster emphasized at a press conference later that this was not a new policy.

YOUTH IS GIVEN LIFE IN MURDER

PHILADELPHIA (AP)—John W. Joyner, 19, of Philadelphia, has been convicted and sentenced to life imprisonment for the robbery-slaying of a food market manager.

A jury of 11 women and 1 man convicted Joyner Saturday night, returning a first-degree verdict and stipulating the penalty at life imprisonment.

Judge Vincent Carroll had no alternative but to impose the sentence.

The food market manager, James J. Harkins, 59, was struck 20 times with a blunt instrument at the American Stores Co. market in south Philadelphia on Sept. 26, 1956.

Joyner had signed a statement—he later said he was scared into signing it—admitting his guilt and implicating three other youths. The others—all 16—are awaiting trial.

RAIN CALLED — GAME

WALPI, Ariz. (AP)—Ancient rain-making ceremonies of the Hopi Indians had a modern touch last year. While Hopi children staged their colorful butterfly dance, a group of Indians at a nearby hamburger stand were listening to a radio — and keeping a boxscore of a St. Louis-Brooklyn baseball game.

HEAVIER U. S. SPENDING TO PROVIDE JOBS

By JACK BELL

WASHINGTON (AP)—A deluge of proposals and some direct administration moves gave promise today of heavier federal spending to provide jobs and help business.

While Democrats and some Republicans clamored for more, President Eisenhower ordered a speedup of government construction projects for which money is available, and announced immediate release of 200 million dollars to help make more private loans available for home construction.

Eisenhower also proposed that the federal government, for the first time, provide funds to extend the period of jobless benefits to unemployed workers. Many of these already have exhausted their rights under payment schedules fixed by the various states.

Asks Ceiling Boost

Eisenhower also asked Congress to raise the ceiling on highway spending for the next three years, and said he will ask an additional 186 million dollars for water resources projects within a few days.

With Senate Democrats already pushing a broader antirecession program, the weekend brought these other developments:

1. Thirteen of the 16 Democratic members of the House Banking Committee, led by Rep. Rains (D-Ala.), proposed a 2½-billion-dollar government loan program to permit construction of sewage and water facilities, libraries, transportation, public buildings and other works projects in labor surplus areas.

2. Eight Republican senators, without criticizing Eisenhower's program, suggested heavier spending than Eisenhower proposed and called among other things for federal aid to school construction. Many other Republicans issued statements praising Eisenhower's actions.

3. Some House members pressed to see the need for a second increase this year in the national debt limit — boosted only last month from 275 to 280 billion dollars — if bad news continues on the economic front and makes heavy federal spending necessary.

4. Sen. Douglas (D-Ill.) and Rep. Simpson (R-Pa.) repeated their demands for income and other tax cuts to make more spending money available.

5. Chairman Blatnik (D-Minn.) of the House Public Works Committee said he will introduce legislation to push public works projects for which money is available. The bill is similar, he said, to one being pushed in the Senate by Democratic Leader Lyndon B. Johnson of Texas.

It was in this field that Eisenhower directed a speedup of projects where that can be done. Johnson said he has been informed that the unexpended balances of money Congress has provided for military and civilian construction stood at \$7,100,000,000 Jan. 1, the last date for which figures are available.

Lost Fortune In Seals

But Paul Ferguson, staff reporter for the Daytona Beach News-Journal, said he found only a female hippo, Waubaby, at the circus grounds. He said circus hands told him Waubaby strayed during the night and was found yesterday morning about 200 yards from her pen.

King, who told of a search by plane, horseback, and on foot — stuck to his story.

New Plane Has No Blades, Wings

PHILADELPHIA (AP)—Piaescki Aircraft Corp. is developing an aircraft that has neither wings nor external rotary blades.

Piaescki said yesterday the new aircraft will be able to fly down narrow streets, between buildings and other obstacles.

Although the plane takes off vertically like a helicopter, it differs in that the rotors are housed within the chassis of the plane. It has two blades—one in front of the pilot and the other at the rear.

Piaescki said the new craft is being developed for the Army Transportation Research and Engineering Command as a high-utility, general purpose vehicle.

The plane, known as Piaescki 59K, will have forward speeds of more than 15 miles per hour.

BUFFALOHERD IS "MISSING" IN COLORADO

NEW YORK (AP)—Animals in the news: A herd of buffalo disappears. . . . A champion steer heads home. . . . Seals float to safety. . . . A lioness claws her trainer. . . . A hippopotamus is found.

Around Pueblo, Colo., they're still searching for a herd of buffalo which took off from a ranch when someone let a gate open. A land and air search has turned up only a heifer calf. Still missing are a ton-size bull, two other bulls, and four heifers.

The mammals are going to be tough to find, says Pete Pace, the rancher who owns them. "When buffalo decide to go somewhere," he said, "they go. They take fences easily, mix in with cattle and then you can't track 'em."

A happier tale took place in San Antonio, Tex., with Rowdy the grand champion steer heading home to Indiana instead of winding up as beef steaks and stew.

Rowdy, top dog of the 1958 San Antonio Livestock Show, was bought by a firm which gave him to Boys Town, Neb. The town officials decided to raffle off Rowdy, and realized some \$3,000.

But H. E. Miersch of San Antonio, who won Rowdy on a dollar donation, heard how heartbroken Patricia Ann Meade was. Patricia Ann, 18, of Camden, Ind., had raised Rowdy. So Miersch agreed to sell Rowdy to the girl's father for about \$280. Charles Meade, the father, said Rowdy is going to spend the rest of his life just telling bull stories.

Down in Deland, Fla., the story of a hippo who got away from the Clyde Beatty Circus headquarters took on some aspects of a press agent's dream. Floyd King, circus general agent, said Otto, a four-ton male hippo, wandered away and was lured back from the banks of the St. Johns River by a bag of bread.

But Paul Ferguson, staff reporter for the Daytona Beach News-Journal, said he found only a female hippo, Waubaby, at the circus grounds. He said circus hands told him Waubaby strayed during the night and was found yesterday morning about 200 yards from her pen.

King, who told of a search by plane, horseback, and on foot — stuck to his story.

BRITISH LOVER FAILS TO WIN HIS PRINCESS

STOCKHOLM (AP)—Robin Douglas-Horne, the British aristocrat who came to Sweden seeking permission to marry Princess Margaretha, leaves for home today after failing to win her hand. But he's going to try again.

Although the engagement had been widely expected, a royal court communique said they had decided to postpone it. The newspaper Aftonbladet reported the royal family urged the young couple to "think it over."

No reason was given, but Aftonbladet added that the two may meet abroad "so they can make up their minds on their marriage plans in peace."

First Offer Rejected

The court communique said that the 23-year-old princess' suitor, who manages a London interior firm, plans to return in the spring.

During his five days in Sweden Douglas-Horne, 26, was formally introduced to King Gustaf, the princess' grandfather, and dined regularly at the royal palace.

The tall, wavy-haired nephew of a British peer, Douglas-Horne first met Margaretha in London last year while he was playing piano in a cocktail lounge.

Mechanicsburg Again Wins SP Sportsmanship Trophy; Announce Squad Thursday

Mechanicsburg High School has been named as the recipient of the annual sportsmanship trophy, awarded by the South Pennsylvania Sportswriters and Sportscasters Association, for the second straight year. It was revealed at a meeting of the association Sunday afternoon in the offices of the Times and News Publishing Co.

The selection of the school was made recently by PIAA officials who had worked at least three games at each school. Each year a plaque is given for permanent possession. A traveling plaque is also awarded.

Selections were made for the South Penn All-Conference basketball squad and will be announced on Thursday. Nine coaches, seven newspapers and three radio stations participated in the balloting.

Suggest Ban On Signs

Following a proposal by Arthur Renfrew, Carlisle, it was decided to write a letter to Prof. Guile W. Lefevre, new president of the South Penn Conference, suggesting that only official school banners be permitted on display at athletic contests. The action was the result of recent outbreaks at several schools due to display of signs during games.

A letter of commendation and regret will be sent to Johnny Fredericks, who recently retired as Mechanicsburg High School football coach.

Radford Crouse, Chambersburg, vice president of the association, presided at the meeting in the absence of the president, Edouard Grenier, Hanover.

Attending the meeting were the following: Jack Lefevre, Hanover Evening Sun; Tom Smyser, WHYY; Jess Garber and Vaden Richards, Waynesboro Record Herald; Crouse and Jan Keefer, Chambersburg Public Opinion; Renfrew and Al Grippin, Carlisle Sentinel; Jim Hartzell, WGCT, and Don Bream, The Gettysburg Times.

INDIANA STATE TEACHERS' FIVE IN NIAA TOURNEY

By JOHN HARWICK

Indiana Gazette Sports Editor

INDIANA, Pa. (AP)—The Indiana State Teachers College basketball team which opens the NIAA tournament today at Kansas City compiled the finest season in the school's history.

It swept all 11 games in teachers conference play, extended its home winning streak to 28, finished the regular season with a 22-2 record and capped it all by taking the NIAA Dist. 30 (Pennsylvania) championship.

The coach of this fine team is Regis (Peck) McKnight, the first four-sport letterman in the history of the school back in the late 1920s. McKnight turned in successful scholastic coaching jobs at Curwensville, Greensburg and Hershey before returning to the local campus 11 years ago.

Two State Stars

Two former All-Pennsylvania scholastic stars lead McKnight's quintet in scoring. They are Joe DeLise and versatile Jamie Kimbrough.

DeLise, whose college career was interrupted by a three-year hitch in the Marines, leads in field goals, free throws, total points and points-per-game average (21.8). He scored 66 points in the two-day Dist. 30 playoff.

Kimbrough, a jumping-jack playmaker from Washington (Pa.) and the first music student to make the varsity at Indiana, owns an amazing shooting percentage of 47.7.

Jack Bizyak, a hard-hitting infielder in the Greater Pittsburgh Baseball League, is a pro-type passer and drive-in artist who has broken up at least six tight games this season.

Boosts Good Spirit

"It was Bizyak who took charge of the club early in the season and kept up the good spirit that has been mainly responsible for our success," says McKnight. Besides being the team's sparkplug, Bizyak is averaging 17 points a game.

Newcomer Bob Bulas, former standout for the Pitt extension school team at Johnstown, is the fourth double-figure scorer for the Indians. He tops the team in foul shooting, averaging 86.5 percent.

New Kensington supplies the rebounding strength in cousins Roger and Denny Brooks. Both boys are just short of a double-figure scoring average.

Roger, out the first semester for financial reasons, broke into the starting lineup recently and responded with good performances in scoring and rebounding.

Marine and musician and what-have-you, but their teamwork and will-to-win have produced the greatest team in the school's history.

ACES CAPTURE SCOUT BOWLING CHAMPIONSHIP

The first annual Explorer Scout Bowling League ended Sunday afternoon at the American Legion Home, Baltimore St., with the Aces the champions of the circuit.

Robert Zhea won the honors for the high single game for the year with a 177. The high three game total was secured by Ted Orner who had a 421 for three games. The most improved bowler was Harvey Hollinger, who started with a 48 average and wound up with an 89 average.

The 10 highest averages for the year were Robert Zhea, 121; Ted Orner, 116; Tom Crist, 112; Stanley Prosser, 111; Fred Smith, 110; Bill Swope, 109; T. Knox, 109; B. Fair, 107; P. Asquith, 105; Charles Kane, 104.

Plans were announced for a league dinner tentatively scheduled for April 10 at the American Legion Home, with trophies to be presented at that time.

VENTURI LEADS GOLF TOURNEY

NEW ORLEANS (AP)—Sizzling Ken Venturi faced threats from two unexpected contenders today as he entered the second round of the \$20,000 Greater New Orleans Open Tournament tied with two golfers seeking their first titles of the winter tour.

Venturi, 26, of San Francisco, who has won three times this winter, knocked four strokes off par with his 34-34—68 over the soggy City Park course yesterday. But he could do no better than a Billy Maxwell, Odessa, Tex., and Gene Littler, Singing Hills, Calif. Play had been delayed three days by rains. The fairways were dotted with puddles, but the pros found the greens in good shape.

After today's 18 holes, the field will be cut to the low 60 for the final two rounds, both scheduled tomorrow.

In a tie for fourth with first-round 69s were Doug Ford, Mahopac, N.Y.; Bill Casper, Apple

72 COLLEGIATE TEAMS TO SWING INTO ACTION ON FOUR BIG TITLES

By ORLO ROBERTSON

The Associated Press

Seventy-two college basketball teams swing into action this week in quest of four major postseason titles.

The NCAA tourney for major schools starts tomorrow with 24 entries. The NCAA Small College Division Tournament, its ranks reduced from 32 to 8, settles the issue at Evansville, Ind., starting Wednesday. The National Assn. of Intercollegiate Athletics Tournament (NAIA) gets under way today at Kansas City with 32 entries.

Thursday the National Invitation Tournament, with 12 teams, opens at Madison Square Garden. Actually 26 schools still are running for the big NCAA affair since two conferences ended in a tie. Oregon State and California, who ended Pacific Coast Conference play with 12-4 records, play it off at Eugene, Ore., tonight. Arkansas and Southern Methodist determine the Southwest Conference representative at Shreveport, La., tomorrow.

The Tournament Picture

Here is the tournament picture at a glance: NCAA University—Field will be reduced to 16 by Wednesday for regional tournaments this weekend at Charlotte, Lexington, Ky.; Lawrence, Kan., and San Francisco.

Tomorrow in New York, Maryland plays Boston College, West Virginia meets Manhattan and Dartmouth takes on Connecticut with the three winners joining Temple at Charlotte.

On the same night at Evanston, Ill., Miami of Ohio takes on Pitt and Tennessee Tech meets Notre Dame for the right to join Kentucky and Indiana in the Lexington regional.

Weeding Out Process

Oklahoma State and Loyola of New Orleans tangle at Stillwater, Okla., tomorrow with the winner going into the regionals at Lawrence with Kansas State, Cincinnati and the Southwest Conference playoff victor.

Wednesday the West Coast picks two of its representatives to join the Pacific Coast Conference winner and San Francisco in the regionals, with Wyoming meeting Seattle and Idaho State tackling Arizona State of Tempe.

Wheaton Defense Opens

NCAA Small College—Wheaton opens defense of its title against Chapman of California. Other first round games: St. Michael's (Vt.) vs. Grambling (Iowa); Southwest Missouri vs. South Dakota; Evansville vs. American University.

NAIA—Unbeaten Western Illinois, winner of 23, is seeded No. 1 and defending champion Tennessee State (25-3) No. 2. Portland (Ore) 18-10 is No. 2. Tennessee State meets Northern Michigan tonight. Western Illinois swings into action tomorrow against Georgia Teachers.

NTT—Dayton and Bradley, seeded No. 1 and 2, do not play until next Tuesday. First-round games Thursday are: St. John's (N.Y.) vs. Butler and St. Joseph's (Pa.) vs. St. Peter's (N.J.). Four games are scheduled Saturday with play continuing March 22, March 20 and finals March 22.

Earn Their Brackets

Second-ranked West Virginia, Maryland, Indiana and Wyoming earned their big tournament brackets Saturday. West Virginia, perennial winner of the Southern Conference title, did it by beating William and Mary 74-58 in the final of the tournament at Richmond. Maryland succeeded by upsetting the 1957 NCAA titleholder North Carolina Tar Heels 86-76 in the Atlantic Coast Conference final at Raleigh.

Indiana's well-balanced Hoosiers whipped Michigan State 75-72 in a showdown game for the Big Ten title. Wyoming was beaten 75-55 by Montana State but qualified when Utah, headed for the NTT, downed Colorado State University 105-79.

Oregon State Bows

Oregon State could have wrapped up the PCC title without a playoff but bowed to Idaho 62-55. Kansas downed top-ranked Kansas State 61-44. All America Will Chamberlain scored 23 points.

Cincinnati's Oscar Robertson, who goes against Kansas State Friday night at Lawrence, all but wrapped up the individual scoring honors although he tallied only 29 points in the third-ranked Bearcats' 80-68 decision over Xavier of Ohio.

Elgin Baylor of Seattle, who meets Bradley tonight before going into tournament play, has a 33.96-point average compared with 34.58 for the Cincinnati ace.

Nels Potter, former major league pitcher, operates a bowling establishment in partnership with a cousin, Henry Thomas, in Mount Morris, Ill.

Valley, Calif., and Art Wall Jr., Pococeno Manor, Pa. Tied with 70s were Bob Goaly, Darien, Conn.; George Bayer, Dallas, Tex.; John Barnum, Grand Rapids, Mich., and Howie Johnson, Glenwood, Ill.

Among those in a 10-way tie at 71 were Freddie Haas Jr., New Orleans, and Lionel Hebert, of Lafayette, La.

Canner Wrestler Loses In Tourney

John Harmon, Biglerville High's lone entry in the District 3 wrestling meet held at Central Dauphin High School Saturday, lost his semifinal match.

Harmon was defeated 8-2 by Karl Kemble, Hershey, who went on to take the heavyweight class title by defeating Bill Sauer, Reading, 1-0.

YORK CAPTURES SWIM TOURNAY

UNIVERSITY PARK, Pa. (AP)—York High School rolled up 60 points here Saturday to win the 1958 PIAA swimming championship.

Mike Schaeberle won a new event, the 100-yard breaststroke, in 1:09.8 to help his teammates to victory.

Terry Slonaker, of York, won the 100-yard butterfly in 58.6 to break the former mark of 1:01.3. Tom Lindsey, who held the old butterfly record, set a new record himself of 1:33.5 in the 150-yard individual medley. The old mark was set in 1953 by Al Wiggins of Pittsburgh's Allegheny.

In the 200-yard freestyle Dave Schabacker of Erie Strong VVincet, set a mark of 2:01.0 to beat by a half second the old mark set by Jim Robinson of Homestead, in 1953.

Frank Pettinato, Erie Academy, was the only double winner, taking the 50-yard and 100-yard freestyle events. Steve Fisher, Upper Darby, won the diving and John Binder, York, the 100-yard backstroke.

York won the medley relay and Lancaster the freestyle relay.

FIELD OF STATE CAGE LEADERS DIMINISHING

HARRISBURG (AP)—The field of survivors in district scholastic basketball playoffs across the state has been narrowed to some 30 teams—and more than half those will be out of the race by Saturday.

In fact four teams will be eliminated in games tonight in different regions.

At the same time all but five of the 11 district titles will be decided by the end of the weekend with the remainder to be sewed up before March 20.

Five 1957 district champions remain in the race for interdistrict playoff berths this season, including state champion Sharon and runnerup Chester. The others are Altoona, in action tonight, Bedford, already repeat champion of Dist. 5, and Erie Strong Vincent.

Outlook By Regions

Annually about three district champions repeat their previous year's success, but rarely make it three in a row.

Here's the outlook by regions:

East:

Dist. 1—Chester's Clippers face more formidable opposition Thursday against Lansdowne, winner of the Suburban II League. However, Chester looks by far the stronger and should win a place in the March 19 Dist. 1 finals.

A league colleague of Chester's, Haverford, also won a semifinal berth over the weekend and is not expected to have difficulty with its Thursday opponent, Delhaas.

This raises the prospect of an all-Suburban I League playoff for the Dist. 1 crown, should Haverford win. Chester defeated Haverford twice in the regular season.

District Two

Dist. 2—Swoyersville, the North League champion, and Scranton Central of the Lackawanna League, will square off Friday to decide who will meet Plymouth for the district pennant. Plymouth drew a bye for the semifinals.

Dist. 3—York, undefeated for the season in winning the central Penn League crown, is expected to swish past Warwick in a district semifinal tonight. The winner will meet Carlisle, the South Penn League winner, for the district crown.

Dist. 4—Powerful, undefeated Sunbury had little difficulty with defending district champion Coal Twp. Friday, Sunbury is expected to go all the way and defeat Williamsport Wednesday in the district title clash. In years past Williamsport ruled the area almost unchallenged.

Bethlehem Favored

Dist. 11—Bethlehem is voted the

Bears In First Again In AHL

By THE ASSOCIATED PRESS

That yo-yo race in the American Hockey League continued as such today with the Hershey Bears back in first place after a short-lived tie with the Cleveland Barons.

Hershey defeated the Buffalo Bisons 6-3 yesterday while the Providence Reds blanked Cleveland 1-0. Rochester also whitewashed Springfield 4-0.

Buffalo's victory eliminated the Bisons from the Calder Cup playoffs as Willie Marshall scored twice and added a pair of assists.

Saturday's games found Buffalo beating Rochester 7-2, Hershey edging Providence 2-1 and Cleveland nipping Springfield 4-3.

favorite in its semifinal clash tonight with Wilson. The district title will be decided Wednesday with the winner of tonight's game facing Tamaqua.

In the west:

Dist. 6—Playoff action begins in this far-flung area with Windber facing Portage to decide a semifinal berth.

Wednesday Altoona will meet the Mountain League champion. The final game is Saturday.

Dist. 7—Sharon faces its toughest playoff competition so far on Wednesday when it collides with Washington, the team that vanquished strong McKeesport. The game will decide a semifinal post.

On Tuesday, Uniontown—winner over highly rated Ford City—will tangle with Charleroi to decide the other semifinal spot.

Dist. 9—Kane and DuBois meet Wednesday with the winner to take on Pottsville for the district crown next week.

Dist. 10—Well-regarded Titusville and defending district champion Vincent meet for the district flag Friday. The winner of the district encounter will face Langley, Dist. 8 champion, in interdistrict games to start next week.

WINS TITLE

PHILADELPHIA (AP)—Joyce Davenport of Cynwyd is the new Philadelphia and district Class B women's squash racquets champion.

She won the title yesterday at the Germantown Cricket Club with a 15-9, 15-12 and 15-9 victory over Marie May of Ridgewood, N.J.

WINS X-COUNTY MEET

PHILADELPHIA (AP)—The Middle Atlantic AAU 30 kilometer cross country championship belongs to Browning Ross of Woodbury, N.J.

Ross, a member of the 1952 U.S. Olympic Team, grabbed the championship yesterday by running the 30-kilometers (18 miles) in 1:43:54.

YANKEES BOW TWICE IN ROW TO CARDINALS

By ED CORRIGAN

The Associated Press

Could the proud New York Yankees be turning into a bunch of hitless wonders—and not so wonderful at that.

The Yanks wound up their 1957 business by going 11 scoreless innings against the Milwaukee Braves in the final two games of the World Series.

They opened their exhibition season Saturday by being shut out by the St. Louis Cardinals. Yesterday, they finally scored a run, but it wasn't enough, and the Cards won the ball game at St. Petersburg, Fla., 2-1.

Yank Manager Casey Stengel can take a measure of solace in the performance of 19-year-old rookie Daron Johnson.

Yankee Hits

The Yanks managed only seven hits but two were long doubles by Johnson.

Bonus baby Johnny DeMerit bashed in three runs to lead the Milwaukee Braves to a 4-3 victory over the Detroit Tigers at Bradenton. Earl Hersh homered for the other run.

In other games, the Cincinnati Redlegs defeated the Chicago White Sox 5-4 at Tampa; the San Francisco Giants whipped the Cleveland Indians 5-1 at Phoenix; the Chicago Cubs licked the Baltimore Orioles 5-4 at Mesa, and the Los Angeles Dodgers edged the Philadelphia Phillies 5-4 at Miami.

Redlegs Blow Lead

The Redlegs blew a three-run lead, but came back to score two runs in the fifth with the aid of a couple of White Sox errors.

Only a two-out home run by Gene Woodling off Marv Grissom saved the Indians from being shut out by the Giants.

Chuck Tanner blasted a grand slam home run for the Cubs in the fourth inning off Chuck Beamon.

The Dodgers had to go 11 innings before Felipe Montemayor singled Charlie Neal home from second.

Littlestown WILL RECEIVE NEW MEMBERS PALM SUNDAY

"Goodness, Not Bigness" was the subject of the sermon delivered by the Rev. Glenn Flinchbaugh, pastor, during the worship service on Sunday morning in Redeemer's United Church of Christ. The Senior Choir sang the anthem, "Be Thou Near Me, Lord," Morgan, accompanied on the organ by Mrs. George A. Stonesifer, Pastor Flinchbaugh announced that anyone wishing to unite with the church on Palm Sunday should contact him prior to that time. It was also announced that World Service Sunday has been advanced one week, and will be observed on March 16 instead of March 23. It is requested that teachers in the Children's Division place all extra activity sheets and story books on the desk in the pastor's study by Wednesday of this week. The materials will then be given to the Hoffman Orphanage.

Mrs. John W. LeGore, Mrs. Orrin Sanders and Mrs. Donald C. Arbogast will serve as hostesses at the March meeting of the Ladies' Aid Society of Redeemer's Church on Tuesday, 7:30 p.m., in the church social hall.

Pastor Flinchbaugh will speak on the subject "The Crowd Who Cried 'Crucify Him'" at the midweek Lenten service on Wednesday, 7:30 p.m. The Singing Juniors will render the anthem at the Lenten service and will rehearse prior to the worship at 7 p.m. Senior Choir rehearsal will be held at 8:30 p.m. after the service.

Two infants were baptized in Redeemer's United Church of Christ on Sunday afternoon by Pastor Flinchbaugh: Scott Michael Sentz, son of Harold Orville and Kay

(Crouse) Sentz, 25 Walnut St., who was born November 14, 1957, at the Warner Hospital, Gettysburg, and Steven Eugene Beard, son of Roy N. and Erma V. (Miller) Beard, W. Myrtle St., who was born October 15, 1957, at the Warner Hospital. The parents were the baptismal sponsors.

To Do Practice Teaching

The choir of Christ United Church of Christ sang the anthem "Morning Prayer," accompanied on the organ by Fred A. Warner, during the worship service on Sunday morning. The sermon was delivered by the pastor, the Rev. G. Howard Koons. The altar flowers were placed by the Altar Guild. Serving as ushers were Harold E. Shoemaker, Ralph L. Snyder, Richard D. Sheely and Fred A. Hahn, who distributed the literature and world service envelopes, which will be received at the 10:30 a.m. worship next Sunday.

Christ Church Choir will rehearse at 7:30 o'clock tomorrow evening. The catechetical class will meet at 1:30 p.m. on Saturday.

Charles H. Boyd, son of Mr. and Mrs. J. Arthur Boyd, 8 E. King St., who is attending the Maryland Institute of Art, in Baltimore, has attained the scholastic standing for mention on dean's list for the first semester. He will be graduated from the institute in June and plans to work in the commercial art field.

Miss Dorothy C. Jones, a senior at Lebanon Valley College, Annville, and daughter of Mr. and Mrs. B. M. Jones, N. Queen St., has been appointed a practice teacher for the second semester in the field of music education at the Derry Twp. schools in Hershey and at the Annville-Cleona School in Annville, according to an announcement made by Robert Smith, chairman of the music department at the college. A music major, she is a member of the college chorus, Glee Club, Women's Athletic Association and Kappa Lambda Nu, women's social society.

SAY GARMENT WORKERS NEAR NEW AGREEMENT

NEW YORK (AP) — Striking garment workers and dress manufacturers have reached agreement on money issues and appear headed for a full settlement today or tomorrow.

The ticklish problem of contract enforcement — the other major issue in the six-day-old strike — is still to be resolved. An employer spokesman said last night both sides agreed on an 11 1/2 per cent package increase.

11 Pct. Boost

The spokesman said it includes an 11 per cent boost in base pay and a payroll deduction for severance pay of one half of 1 per cent.

Agreement also was reached on overtime for piece workers — 81 per cent of the workers are employed on this basis — after 35 hours.

Union officials declined to confirm or deny the reported terms. The dispute, first major strike by the International Ladies Garment Workers Union in 25 years, has affected nine Eastern states and idled 105,000 ILGWU members.

Two Intensive Days

The wage agreement came after two days of intensive mediation by two peacemakers appointed by Mayor Robert F. Wagner — former U.S. Sen. Herbert H. Lehman and Harry Uviller, impartial chairman of the dress industry.

The mediators joined with David Dubinsky, president of the union, and employer leaders in expressing confidence that work will be resumed Wednesday.

The industry has complained that nonunion penetration and the union's failure to demand uniform conditions have forced manufacturers to cut corners as a means of staying in business.

Prestrike wages in New York City averaged \$2.10 an hour, 50 to 75 cents an hour less elsewhere.

ISSUE BANK CALL

HARRISBURG (AP) — The State Banking Department today called for a statement of the condition of all state and private banks under its jurisdiction at the close of business, Tuesday, March 4. The report need not be published.

WASHINGTON (AP) — The controller of the currency today issued a call for a statement of the condition of all national banks at the close of business March 4.

State Will Build Clear Plastic Road

ATLANTIC CITY, N. J. (AP) — An experimental plastic road will be built in Pennsylvania next summer says Robert G. Farley, chief engineer for the Pennsylvania Highways Department.

Farley made the plans public at the 38th annual meeting of the Associated Pennsylvania Constructors here Saturday.

He said it was not yet known where the clear plastic roadway would be built or how long or wide it would be. "Arrangements will be firm up within the next two weeks," he said.

JOHN M. WALKER, A. J. GLEASON ON TICKET FOR GOP

HARRISBURG (AP) — The Republican state organization's ticket for the May 20 primary was complete today, following weekend action to select party-backed candidates for lieutenant governor and secretary of internal affairs.

A 28-member steering committee endorsed John M. Walker, Pittsburgh, to run for the seat now held by Lt. Gov. Roy E. Furman. Andrew J. Gleason, Johnstown, was backed to seek the post now held by Secretary of Internal Affairs Genevieve Blatt.

Earlier last week the GOP steering committee endorsed Arthur T. McGonigle, Reading, pretzel manufacturer, as its gubernatorial candidate, and Rep. Hugh D. Scott, Philadelphia, for the U.S. senate.

With the new selections, the GOP ticket secured a personality from each of the state's geographical regions. Republican State Chairman George I. Bloom described the ticket as "a vote getter in all sections of the state."

Ask Chairman Backing
Though endorsement by the steering committee is "tantamount to organization endorsement," said Bloom, county GOP leaders will be asked to give their formal approval this week.

Bloom said both McGonigle and Scott expressed "confidence and pleasure" in the choice of their running mates, even though Walker criticized McGonigle last week as "the hand-picked candidate for the Pennsylvania Manufacturers Assn."

At that time Walker was still actively seeking the gubernatorial nomination.

Bloom said the choice of Walker and Gleason was unanimous after consideration had been given to at least a dozen other party members.

Fisher Withdraws
C. Francis Fisher, an Allegheny County attorney mentioned as a possible candidate for lieutenant governor said he would withdraw from the race and praised Walker as a candidate who would "definitely add strength to the ticket."

The other announced candidate for the post was Sen. Rowland B. Mahany (R-Crawford), senate

BOY MISSING SINCE SATURDAY

ALLENTOWN, Pa. (AP) — Hundreds of volunteers again combed the woods near Emmaus today for a missing nine-year-old boy after a weekend of setbacks.

A Civil Air Patrol plane, one of four looking for the boy, crashed yesterday in a field at South Mountain. Both the pilot and an observer were injured.

And divers abandoned the search in a water-filled mine pit after finding nothing but debris. The divers worked until 8 p.m. yesterday.

The boy, Godfrey Rzonca, is one of four children of Mr. and Mrs. Frank Rzonca of Emmaus. He was last seen at 10 a.m. Saturday near Dillingsville.

His parents reported him missing at 1:30 a.m. yesterday and at daybreak a full-fledged search began, headed by state police, civil defense units and volunteers.

Injured in the crash of the civil air patrol plane were Ralph S. Kuser, 40, of Bethelville, the pilot, and his observer, Robert Gebhard, 18, of Posttown R. 3.

Both were admitted to Allentown Hospital. Kuser suffered a jaw fracture and Gebhard sustained cuts about the face and hands.

Arrests Youths For Stripping Stolen Car

CLAYTON, N.J. (AP) — Five New Jersey youths were arrested yesterday on charges of stripping a stolen auto.

A patrolman spotted the youths driving out of the woods north of Carpenter St., and halted the vehicle at gunpoint.

Responding to patrolman Richard Burke's radio call other officers found the stripped vehicle in the woods. It was stolen Friday from Runnemede.

The youths, ranging in age from 15 to 19, were turned over to Runnemede authorities. All are from the Mt. Ephraim area.

SEARCH FOR MAN

PAULSBORO, N.J. (AP) — Finding of a capsized boat on the Delaware River yesterday resulted in a search for a 24-year-old New Jersey man, Elmer Lynch Jr., of Cooper Valley and the father of two, was last seen Saturday.

Turn creamed eggs into a shallow container, sprinkle generously with grated Parmesan cheese and brown under the broiler. Serve with buttered toast.

GOP floor leader. He was not available for comment.

The weekend developments narrowed the field of opposition to McGonigle to Harold E. Stassen, former disarmament aide to President Eisenhower, and William S. Livengood, former secretary of internal affairs.

Hilton Will Run
Last night Frank C. Hilton, national commander of the Veterans of Foreign Wars in 1951-52, indicated he is "definitely interested" in the prospect of running for the lieutenant governorship with Stassen.

The question of whether Stassen wants to use the governorship of Pennsylvania as a stepping stone to the presidency or another high national office shapes up as an issue in the 1958 campaign.

Walker's selection for second place on the ticket behind McGonigle took him out of contention for the top spot. Bloom said Maj. Gen. Daniel B. Strickler, former lieutenant governor, had withdrawn as a candidate for governor.

Strickler said in a statement that he withdrew "in the interests of unity."

NERVES Made His Life MISERABLE

One man said recently that he was jittery and irritable, just because of simple, everyday nervousness which he states made his life miserable. He seldom got a full night's sleep and felt tired and worn-out. But now he says Sys-Tone has calmed down his nerves and he sleeps better than in years. He further states Sys-Tone also gave him a "happier outlook on life."

Sys-Tone is helping hundreds who suffer from "nerves" here in Gettysburg. This new medicine, with its Ten Great Herbs and several vitamins, helps quiet nerves—in Nature's own way—without a single harmful drug. Its Herbs also relieve stomach gas, aid digestion. And it acts as a blood-iron- tonic for energy. Costs only a few cents a day. So don't go on suffering. Get Sys-Tone—Peoples Drug Store. Also sold by all druggists in Gettysburg and nearby towns.

PENNA. FARMS SHOW INCREASE IN NET INCOME

By RICHARD L. GRAVES
HARRISBURG (P) — Pennsylvania farms showed a 5 per cent boost in realized net income during 1957, a new U.S. Agricultural Marketing Service report indicates.

"A substantial increase in cash receipts from dairy products, plus smaller increases for cattle, hogs and corn, more than offset higher production expenses," the report said.

Apparently, last summer's serious drought, while knocking a dent in grain and grass crop production, was not enough to wipe out profits on the averages.

Margin Improves
The realized net to the average farm in the commonwealth was \$1,743 on gross receipts of \$7,147. The gross in 1956 was \$6,804 with the farmers realizing an average net of \$1,661.

The 5 per cent boost in net is measured against a 2 per cent increase in cash receipts from farm marketings — indicating a improved margin of profit.

Nationwide the realized net dropped from \$2,432 per farm to \$2,374.

One significant factor of the re-

port is that the realized net of Pennsylvania farms is nearly \$600 behind the national average while the gross income for the state's producer is about \$60 ahead of the national average.

Economists generally attribute this disparity to higher production costs in the state's two major agricultural industries — poultry and dairy.

Though there were declines in receipts for poultry and eggs, the dairy boost was enough to bring Pennsylvania's average up.

Better Than Neighbors
Pennsylvania's neighboring states did not fare very well during the year compared to the commonwealth. Only New York among the bordering states showed an increase in net income and that was only 2 per cent. New Jersey showed a 6 per cent drop; Maryland, down 7 per cent; Ohio, down 5 per cent, and West Virginia, down 1 per cent.

Among the northeastern states, Pennsylvania still trails in net income per farm. The average for the nine-state area is \$2,254 on gross receipts of \$8,902.

FOOD INDUSTRY LOOKS TO NEW RECORD IN '58

By SAM DAWSON
NEW YORK (P) — You have to eat. You like to eat well. That is why, recession or no, leaders in the food industry say today they expect to set new sales records this year and to beat or equal past profit levels.

Some companies look for as much as a 25 per cent gain in sales volume. The industry as a whole talks of a four billion dollar food sales increase over last year's 75 billion.

Confidence is reflected by food processors and grocery chains who say they are going ahead with expansion plans and emphasizing research.

Looking For Increases
Other companies whose products are used by or sold in grocery stores—pepper, wine, cleansers—also look for increases.

Current tonnage figures are running well above those of peak year 1957, according to the trade publication, Food Business. It looks for new sales records in the next three months, on the basis of an industry poll. Some leaders feel sure this momentum will carry through the second half of the year.

Some setbacks are noted by Robert A. Magowan, president of Safeway Stores, Oakland, Cal. He cites "reduced sales volumes in cities hit by output cutbacks in metals and lumber, but adds: "Nothing that has happened so far has been a deterrent to our expansion program, and we will open a minimum of 150 new stores this year."

Diet Upgraded
The nation has steadily upgraded its diet, says Charles H. Bell, president of General Mills of Minneapolis. The consumer demands better nutrition, more convenience and variety and isn't likely to change his ways in a mild recession.

Lyle C. Roll, president of Lellogg Co., Battle Creek, Mich., says Americans will continue to spend a substantial portion of their income for food. His firm plans to build a new plant this year in Memphis.

Mischa Elman Offers New Definition For "Talent"

By HAL BOYLE
NEW YORK (P)—Many a youthful violinist grumbles rebelliously to his parents: "I'll bet Mischa Elman doesn't practice as much as I do."

But he's wrong. At 67, Elman, who has no intention of hanging up the fiddle and bow he first clutched in a Russian ghetto at the age of 5, still practices up to three hours daily.

"Some artists, as they get older, lose interest in practicing," he said. "They regard it as drudgery. To me it is still a pleasure. Even in practicing you make discoveries, and it is the discoveries that inspire you."

Golden Jubilee Season
This is the golden jubilee season in America for the small, sturdy wizard of the strings who has a puckish face resembling one of Santa Claus' elves. But he had been a child wonder in Europe for more than five years when he made his debut here as an artist of 17.

Acclaimed as one of the great masters of the violin in this century, Elman has given more than 3,500 concerts. He has a repertoire of more than 600 numbers and enlarges it each year.

"If you cease doing new things," he remarked, "you cease to grow."

Two Million Records
More than two million of his records have been sold. Some of the earlier ones, made with tenor Enrico Caruso, with whom he used to tour in joint concerts, are now highly prized by collectors.

All his life he has been unable to indulge in sports for fear of injuring his multi-million-dollar hands. His favorite game: chess. Asked the most important factors in a concert artist's career, Elman grinned and said:

R. French, vice president of Red L. Foods Corp., Great Neck, N.Y., sees as unabated the public's willingness to purchase food, "even those which to some are considered luxuries."

Predict Gains
Sales gains are predicted also by: Daniel F. Gerber, president of Gerber Products, Fremont, Mich.; Ned N. Fleming, Topeka, Kan., wholesaler; W. F. Straub, president of a Chicago special food manufacturer; C. Clyde Loftis, president of raft Foods division of National Dairy Products, Chicago; Charles G. Mortimer, president of General Foods, White Plains, N.Y.; and Jerome S. Neuman, president of Joseph Martinson, New York, who thinks his and other coffee companies will be helped by the possibility of lower coffee prices raising consumption.

when I became 45," he said. "Aging is only a matter of the spirit. It exists only in the imagination, as do so many things. The creative mind that is absorbed by many things besides its own well-being does not age."

"It's in the mind, I say. It does not matter how long I sleep or what I eat. When a person gets little sleep one night, he usually says to himself, 'I didn't get enough sleep last night. I must be tired.' And so he is tired."

Lectures On Philosophy
"You make your own consciousness. You make the facts that get hold of you. Your imagination creates the emotions that wear the lines in your face."

As one might suspect, Hayakawa is deeply interested in philosophy, both western and Oriental. He lectures widely on philosophy in Japan when not engaged in acting.

Recently he completed a Japanese television series of "Les Miserables," which he translated from the French, and which he directed and played in. Soon he will begin Japanese film in which he plays Genghis Khan — which, when you think about it, seems an odd role for such a gentle philosopher.

WASHINGTON (P)—The General Accounting Office says the Air Force, in closing down a supply depot in Morocco, left secret equipment like radar sets and bombsights out in the open "accessible to prospective bidders."

The GAO report, criticizing close out operations at the depot, also said:

1. Some equipment was left deteriorating in the open.
2. The depot had perhaps twice as much stock as the 144 million dollars worth the Air Force thought it had in beginning close-down operations.

Was In "The Bridge"
Hayakawa, you may recall, plays the Japanese prison camp commander in that excellent current motion picture, "The Bridge on the River Kwai."

But many forget that Hayakawa was one of the world's most popular movie stars from 1917 to 1927. His fame was international and his Hollywood salary ranged from \$5,000 to \$6,000 a week. From 1936 until 1949 he lived in France where he made 17 films and appeared in four plays.

Hayakawa looks as if he were in his middle 40s. His dark hair is untouched by gray, his face unlined.

PHILADELPHIA (P)—Police Saturday charged an 11-year-old boy with setting fire to a Pennsylvania Railroad pier jutting over the Delaware River.

Police said the boy, Robert Simkunas, was arrested last night as the three alarm blaze swept through a 200-foot section of the pier.

GREENWICH, Conn. (P)—A Greenwich mother gave her life early Saturday in a vain attempt to save two of her children who were trapped in a burning house.

A third child was saved when she jumped from a porch roof and was caught by a man on the ground.

PORT SAID, Egypt (P)—Eight persons—including an American—were killed and 18 injured Friday night when an Egyptian airliner crashed in a marshy lake after a sandstorm closed airports in this area, Egyptian authorities said today.

The American was identified as William J. O'Brien, 63, of St. Paul, Minn. His wife was seriously injured.

The twin-engine plane was en route from Athens to Cairo when the worst sandstorm in years blew up. Most of the other passengers were Egyptian residents or Greek seamen flying to join their ships here at the northern end of the Suez Canal.

YOKOSUKA, Japan (P)—The U. S. Navy has reported a second recent case of Hong Kong merchants attempting to smuggle narcotics into Japan by using American officers as innocent and unwitting messengers.

U. S. Navy intelligence agents discovered Tuesday more than five pounds of heroin worth about \$335,000 aboard a U.S. Navy ship bound from Hong Kong to Japan.

The present U.S. trust territory of the Marshall Islands, in the South Pacific, was first occupied by Spain and Germany. After World War I, the islands were ceded to the Japanese.

J. EDGAR HOOVER BOOK OUT TODAY ON COMMUNISM

By WILLIAM L. RYAN
AP Foreign News Analyst
NEW YORK (AP)—FBI Chief J. Edgar Hoover today to keep up their guard against a conspiratorial Communist movement which "has been and is engaged in an all-out war against American freedom."

Despite flipflops, defections and setbacks, the Communist party's hard core in the United States still is a vast reservoir of spy material posing a "tremendous and present danger" to American security, the director of the Federal Bureau of Investigation warns in a new book, "Masters of Deceit," published today by Henry Holt & Co.

When the party was founded in 1919 by a rag-tag group of grotesque revolutionaries on the Bolshevik model, it planted an infection which, though limited to a relative few, could spread dangerously, Hoover says.

"Utterly new" "Something utterly new has taken root in America during the past generation. A Communist mentality representing a systematic, purposive and conscious attempt to destroy Western civilization and roll history back to the age of barbaric cruelty and despotism, all in the name of progress," the FBI director writes. "Evil is depicted as good."

terror as justice, hate as love, obedience to a foreign master as patriotism."

The attempt to create a "Communist man" will fail, Hoover says, "but we cannot afford the luxury of waiting for it to run its course," because its weapons become more formidable as guards are lowered.

Moscow normally tries to separate the party from spy activities, Hoover says, but the party's thousands of members still play an important role in Soviet espionage.

Warns Against Hysteria
The FBI director's book, subtitled "The Story of Communism in America and How to Fight It," is a painstaking survey of communism in America and its political savagery.

Hoover sketches Communist tactics, legal and illegal; its attempts at infiltration of labor groups and mass organizations, its use of fronts and a Communist infighting which "is vicious and utterly devoid of moral principle."

He tells Americans how to spot such activities and how to counter them.

But Hoover warns that while citizens can help the FBI in its unending battle against the Communists, there must be no "hysteria, witch hunts and vigilantes," which he says will do more harm than good. He warns also that the fight must be waged with regard for "the historic liberties of this great nation."

LANSING, Mich. (AP)—Robert Conway dug up a diamond valued at \$225 in his Lansing garden, Conway said he had no idea where it came from.

Meanwhile, the Shortway group set up three divisions to include these counties: Eastern Division—Carbon, Lackawanna, Lehigh, Luzerne, Monroe, Northampton and Schuylkill; Central Division—Cameron, Centre, Clearfield, Clinton, Columbia, Lycoming, Montour, Northumberland, Snyder, Sullivan and Union; Western Division—Armstrong, Butler, Clarion, Elk, Indiana, Jefferson, Lawrence, Mercer and Venango.

Noyes said the group will press for completion of the road at the average rate of 43 miles a year. "There is no highway in the entire interstate highway system of 41,000 miles as important as the Shortway," Noyes said. "It's early completion by 1965 is realistic and possible. It not only will cut up to 100 miles in travel from Pittsburgh to New York City, but will open up a vast and almost virgin territory for industrial, recreational and population growth."

PUSH FOR 50-MI. SHORTWAY UNIT START BY MAY 30

WILLIAMSPORT, Pa. (AP)—The Keystone Shortway Assn. today pressed Gov. Leader to have a 50-mile section of the 291-mile proposed east-west super highway started by Memorial Day.

"Specifically, we have asked for construction of a 50-mile stretch of the road to be started this year, preferably in three equal sections," said C. E. Noyes, executive director of the association.

He added that the organization hopes the governor will include the project in his job development program, designating construction to start on sections of the road in the east, west and central part of the state.

Cite Old Promise
The highways department promised late last year to break ground for the Shortway by Memorial Day (May 30), Noyes said.

Meanwhile, the association stepped up its organization drive to enlist support for the Shortway project, which will cost an estimated minimum of a million dollars a mile. The federal government will bear 90 per cent of the cost and the rest by the state.

Noyes said the association has the three-fold objective of: speeding up construction of the interstate highway; promoting its advantages to adjacent areas; establishing plans for future economic development of the area to be served by the Shortway.

To carry out this objective the organization plans to collect \$50,000 from a 27-county area to push the Shortway program. The funds would be collected on the basis of 2 cents for each man, woman and child in each of the counties.

Form Three Divisions
Meanwhile, the Shortway group set up three divisions to include these counties: Eastern Division—Carbon, Lackawanna, Lehigh, Luzerne, Monroe, Northampton and Schuylkill; Central Division—Cameron, Centre, Clearfield, Clinton, Columbia, Lycoming, Montour, Northumberland, Snyder, Sullivan and Union; Western Division—Armstrong, Butler, Clarion, Elk, Indiana, Jefferson, Lawrence, Mercer and Venango.

Noyes said the group will press for completion of the road at the average rate of 43 miles a year. "There is no highway in the entire interstate highway system of 41,000 miles as important as the Shortway," Noyes said. "It's early completion by 1965 is realistic and possible. FBI FUGITIVE IS ARRESTED

INDIANAPOLIS (AP)—The FBI scratched the name of Ben Golden McCollum from its list of the 10 most wanted fugitives today after ending almost four years of freedom for the convicted murderer from Oklahoma.

McCollum, who has spent almost half his 49 years in prison, walked into an FBI trap at his rooming house on the near East Side of Indianapolis Friday night. Unarmed, McCollum had no chance to resist. A Luger pistol was found in his room.

McCollum had been living in this area for a year and a half, and the FBI had been looking for him for more than a year. He was charged in a federal warrant with unlawful flight to avoid confinement for the murder of two fellow inmates in Oklahoma State Penitentiary at McAlester.

The fugitive had been working as a boiler fireman in County Hos-

CUBAN POLICE ON ALERT FOR STRIKE CALL

HAVANA, Cuba (AP)—Continuing of heavily armed national police stood special alert duty today with orders to act decisively if Fidel Castro's rebels use their "ultimate weapon"—a general strike call.

The 7,700 policemen and 22,000 armed forces were ordered to take "whatever steps necessary" to break a strike and crush any outbreaks of violence that might develop on this sixth anniversary of President Fulgencio Batista's last military coup.

Castro canceled all celebrations for 18 months. For two months he had been living in a rooming house where he was arrested, using the name of George W. Napier.

McCollum escaped from Oklahoma State Penitentiary May 1, 1954. He was convicted of murder in 1934 and sentenced to die in the electric chair, but he received three stays of execution and his sentence finally was commuted to life.

HOLLYWOOD (AP)—A onetime office boy, Abe Schneider, 52, has been elected president of Columbia Pictures Corp., succeeding the late Harry Cohn.

Cohn's will was filed on Friday in Los Angeles Superior Court for probate. The studio president and production chief left half of his estate, described by studio spokesmen as totaling four million dollars or more, to his widow, Joan Perry Cohn.

tions except for a radio speech from a nearby military garrison, where he is protected by thousands of troops.

Castro has threatened a general strike at any moment. The rebel mountain guerrillas are reported running short of arms, and Castro has declared that a general strike would be his last blow—and the one sure to topple Batista.

Leaders of 60,000 high school and university students, already on strike against the arrest of fellow students, announced they would support any walkout to oust Batista.

But the powerful Cuban Confederation of Labor said its 1,200,000 workers would stay on the job. Batista recently decreed wage boosts for them.

Castro, however, claimed secretly organized support among the workers.

CINDER CREWS

(Continued From Page 1)
 of north central and western sections of Virginia yesterday. Snow also fell in parts of West Virginia, Maryland, in the Washington, D.C. area and in Delaware.

The drifting snow forced the closing of half a dozen school systems in Virginia.

The weekend storm in the Rockies which dumped up to 8 inches of snow at Lander, Wyo., moved into Montana, the Dakotas, and southward through areas.

The wet belt extended into the southern Plains, mostly in the form of light rain, but heavy snow warnings were issued for the Texas Panhandle.

Nine inches of snow fell in a six-hour period in St. Louis. A bright, warm sun melted snow off streets, but blanketed yards and drifts remained.

In Virginia, 15 inches of snow was reported from the Mt. Crawford area near Harrisonburg and 14 inches fell in Bath County.

German Teeners Refuse To Date

PHILADELPHIA (AP)—German teenagers have come up with a solution to the dating problem. They just don't date.

So says 17-year-old Gerlinde Unholz, an exchange student studying at suburban Abington High School.

Instead of dating, Miss Unholz said, the boys and girls go to dances alone.

She made this comment yesterday on the final Philadelphia Bulletin Forum which discussed teenage dating other teenage problems.

She also said she doesn't think high school pupils should go steady, pointing out "young people should have a chance to meet many other boys or girls."

2 KILLED IN CRASH
 KADENA, Okinawa (AP)—Army Sgt. Herbert R. Saunders, 46, of Reading, Pa., was reported in serious condition today as a result of injuries suffered Saturday when the car he was driving smashed into a bridge abutment.

The Army said his recovery is "questionable."

Two Wacs in the car were killed in the mishap.

SHOTS FOR 10,000
 QUINCY, Mass. (AP)—An estimated 10,000 men, women and children, filed past a battery of 9 doctors, 10 nurses and 53 clinical aides yesterday in one of the largest mass antipolioc inoculation programs in the country.

OWNER BREAKS IN
 BOSTON (AP)—A burglar stole \$190 worth of merchandise from a Dorchester district grocery store. Before leaving, he replaced the lock he broke with a new one. Owner George Gilsman had to break the second lock to get in.

Crane Operator's Absence Delays Firing Space Rocket

CAPE CANAVERAL, Fla. (AP)—Frustrated by a faulty weather report, a crane operator's absence at a crucial moment of need, and a series of minor technical breakdowns, the Navy today prepared a new attempt to launch its Vanguard space rocket, possibly this week.

A new firing schedule was under discussion in conferences between officials of the Naval Research Laboratory in Washington, the Martin Co.—builder of the big rocket—in Baltimore, and the Air Force missile test center here.

Fear Weakness
 It was conceivable that a new attempt to fire the three-stage rocket, and possibly to place a grapefruit size satellite in an or-

bit, might come within a day or two.

It might also develop—should the Vanguard experts find that the repeated delays have weakened any part of the sensitive vehicle—that there would be a considerable postponement.

The Vanguard rocket came within 35 seconds of launching Saturday, shortly after 3 p.m.

Then, it was learned from informed sources, the so-called umbilical line—the missile's last link with the ground—failed to disconnect.

The crane operator who was to have been on hand for such an emergency was missing. As a result there was a costly delay.

Similarly, a "hold" or temporary delay in the approaches toward launching time was ordered on the basis of a weather report indicating high winds aloft.

Cite Wind Danger
 At the time the Navy received the wind report the weather officer said it might be in error.

Vanguard officials could not afford to take a chance. The Vanguard rocket is so tall and slender that winds over 15 miles an hour are a menace to it. A "hold" was ordered and there was a long wait.

Finally a weather balloon was sent aloft. It refuted the wind forecast. Almost immediately the countdown resumed.

'Count Down' And 'Blast Off' In Church
 BALTIMORE (AP)—After a countdown of the Ten Commandments, a "rocket" blasted off on a string of rubber bands to the ceiling of Baltimore's St. Mary's Episcopal Church yesterday.

All eyes were solemn.

As the "Churchnik" began to smoke at takeoff because of dry ice dropped into water, the Rev. George F. Packard told his flock: "Confirmation launches us into the flight of life and the fuel is Holy Communion."

The eight-foot, silver-colored cardboard rocket had three orange fins. It bore an orange cross and the word "soul."
